I – In Place

P – Planned in < 5 years

V – Voluntary

VP—Voluntary, Planned in < 5 years

\*\*—Part of rebate program

<sup>2</sup> —Plan under review (CWCB)

<sup>3</sup> —Plan in development

Explanation of Program Elements:

Water Budgets: A rate structure based upon the calculation of appropriate water use (or budget) for each customer per pay period.

Sod limits: Limitations on the amount of sod that can be installed

ET Water Controllers: Providing incentives promoting the use of ET water controllers

A—CWCB Approved Plan

G—Grant Received for Plan Development

S—Staff for Water Conservation
